

# Veggie Garden Beds

## Price List

### OUR GARDEN BEDS ARE MADE TO A STANDARD NOT A PRICE! COMPARE THESE FEATURES!

- **Solid one piece construction** – single sealed joint for maximum strength & no dirty seepage through the joints.
- Top edge protected by heavy duty **PVC Pinch Weld Strip** – will not weather or perish like rubber!
- **Stainless steel cross bars** are standard in our longer oblong beds to prevent **side bulging** as occurs with unsupported kitset beds.
- Grow all year with our **Plant Covers** which protect against summer heat, winter cold & pests.
- **Patented Self Watering System** allows for efficient watering and extended away from home time.
